

ASAPA CRM Section: Application for membership

- Membership is open to members of the Association of Southern African Professional Archaeologists.
- Acceptance of membership indicates acceptance of the Code of Ethics, minimum standards and grievance and disciplinary procedures of ASAPA CRM Section.
- Please submit your *Curriculum Vitae* with your application (please forward an electronic copy in MSWord or Pdf Format to memsecretary@asapa.co.za).
- Acceptance to the Section is not automatic. The standing committee will vet applicants according to the levels of qualification agreed upon as follows:

The basis for accreditation in areas of professional archaeological specialization (such as Iron Age, Stone Age, Coastal Shell Midden, Maritime, Colonial Period, Industrial, Rock Art, Grave relocation and other (specify separately)) will be:

- Field Supervisor - Honours degree in archaeology
- Field Director - Masters degree in archaeology or five years full-time experience on field supervisor level or equivalent¹
- Principal Investigator - Masters degree in archaeology and A or B,
 - A. Three years in full-time CRM practice
 - B. 5 Phase II projects at field director level except with special motivation for the equal value of other prior learning or relevant experience².

The basis for accreditation in areas of technical archaeological specialization (such as archaeobotany, archaeozoology, isotope work, archaeometallurgy, human skeletal analysis, other (specify separately)) will be:

- Laboratory specialist - Honours degree in archaeology or appropriate discipline offering appropriate training
 - Principal Investigator, specialist analysis - Masters degree in archaeology or appropriate discipline and A or B,
 - A. three years in relevant full-time practice
 - B. 5 applicable projects²
- Successful applicants will be accredited with the right to claim expertise in those areas of archaeology in which they are experienced.
 - Accreditation is valid for the SADC region.
 - Membership fees are set at R500.00 per annum.

The standing committee will consider applicants who wish to practice at a level for which they do not have the required qualifications. They must however, **provide a detailed motivation** with their application.

¹ If the applicant does not have a Masters degree, the experience requirements for Field Director accreditation must be clearly shown and well motivated in the application.

² A portfolio of projects or a clear motivation of the equal value of prior learning or relevant experience must accompany the application.

Please indicate by means of a tick, those areas of CRM for which you would like to receive specialist accreditation, and at which level (PI = Principal Investigator, FD = Field Director, FS = Field Supervisor):

Coastal shell midden archaeology Level: PI FD FS

Colonial period archaeology Level: PI FD FS

Industrial archaeology Level: PI FD FS

Iron Age archaeology Level: PI FD FS

Maritime archaeology Level: PI FD FS

Rock art Level: PI FD FS

Stone Age archaeology Level: PI FD FS

Grave relocation Level: PI FD FS

Other (Specify:) Level: PI FD FS

Specialist analysis:

(Ls = Laboratory specialist, Plsa = Principal Investigator, specialist analysis)

Archaeobotany	<input type="checkbox"/>	Level: Ls	Plsa
Archaeometallurgy	<input type="checkbox"/>	Level: Ls	Plsa
Archaeozoology	<input type="checkbox"/>	Level: Ls	Plsa
Human skeletal analysis	<input type="checkbox"/>	Level: Ls	Plsa
Isotope work	<input type="checkbox"/>	Level: Ls	Plsa
Other (Specify:)	<input type="checkbox"/>	Level: Ls	Plsa

Please send this back to Lu-Marie Fraser (memsecretary@asapa.co.za)
